

GRO Membership Requirements

Your membership will be yearly. The following is expected each quarter:

- Maintain and project a positive attitude to the group and visitors.
- Be at the meeting by 7:15 AM. If you are counted tardy, 3 tardies are equal to one absence. (Tardy is 7:20).
- Miss no more than 2 meetings per quarter, or have a substitute present. Use of a substitute is limited to 2 times per quarter. Beyond that is considered an absence. Current GRO members CANNOT be substitutes. (Leave of absence due to medical/professional reasons can be arranged when Pres. consults with Membership Committee).
- 3 absences (or the equivalent with accumulated tardies) will remove you from membership. If you forfeit your membership because of attendance violations, you can re-apply in 6 months).
- Exceptions for termination due to absences will be considered with an email request to the attendance committee. Exceptions will be granted upon the vote of a majority of the attendance committee. Members that are granted an exception will be on probation for the following quarter and not permitted to request an exception during that quarter.
- GRO must be your only exclusive referral group. Membership in Chamber of Commerce, Lions, and other community groups, is encouraged.
- Volunteer to serve as a club officer at least every other 6 months-term.
- Always be trying to participate in one of the three areas we track: Visitors, Dance cards (1-on-1's), and/or Tier 1 or Tier 2 Referral.
- Keep up to date on GRO fees.

By signing below, I agree to the above GRO requirements. I understand that failure to meet any requirements in each 3-month quarter, as determined by leadership team, will open my category to a new member, and remove me from the group.
